Indicator light Code 89 350 17 412

Tolerances unless otherwise stated: ± 0.2 Scale: 1:1

Custom designed for and in cooperation with a manufacturer of switches for household and similar fixed-electrical installations, this indicator light is an example of our design and production possibilities in the field of signalling devices using L.E.D.s as light source.

The most important requirements were:

- 1.) Very small size
- 2.) Easy and flexible connection
- 3.) Fixing inside customer's switch
- 4.) Nice and bright blue light
- 5.) Low cost
