

## Indicator Light Custom Made Type 116

Tolerances unless otherwise stated:  $\pm 0.2$

Scale: 1:1

Custom designed for and in cooperation with a manufacturer of refrigerators, the initial most important requirements were:

- 1) Low cost
- 2) Very flat lens in three colours
- 3) Design in L.E.D.- look (similar to electronic indicating devices)
- 4) Good finish
- 5) Long life expectancy for green indicator light
- 6) For 250V ac source

After to our different proposals, the present product, was developed for mass production. His mounting is between two moulded plastic panels. The green execution has an average life of 100.000 hours of lighting.
