

Indicator Light Custom Made Type 118

Tolerances unless otherwise stated: ± 0.2

Scale: 1:1

Custom designed for and in cooperation with a manufacturer of dish washers and washing machines, the initial most important requirements were:

- 1) Low cost
- 2) Illumination from behind of light conductors of different designs
- 3) Easy mounting
- 4) Good finish
- 5) Good insulation of connection means
- 6) For 250V ac source

After to our different proposals, the present product, was developed for mass production. We tested all requirements and approved the product, which can be used for illumination of nearly any light conductor.
