

Indicator Light Custom Made Type 509

Tolerances unless otherwise stated: ± 0.2

Scale: 1:1

Custom designed for a manufacturer of control panels, the initial most important requirements were:

- 1) Low cost
- 2) Low investments in tooling
- 3) Specific design of lens

The indicator light, based on standard pieces of our product range, meets all requirements.

Recommended cutout

On introducing side no sharp edges!

Scale: 1:1
