## Lens Reference 715

Tolerances unless otherwise stated:  $\pm 0.2$

Scale: 2:1

This thermoplastic piece can be used as a lens to be snap-in mounted to a panel and backlit with any indicating assembly or as a cover. In combination with lamp assembly reference 7-- it forms our indicator light 715 (see catalogue).

It can be supplied in transparent or opaque colours, also for different temperature resistances. Please consult.

### Recommended cutout

On introducing side no sharp edges!

Scale: 2:1
