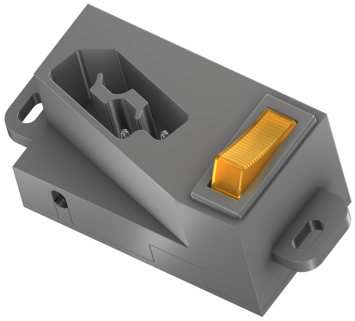
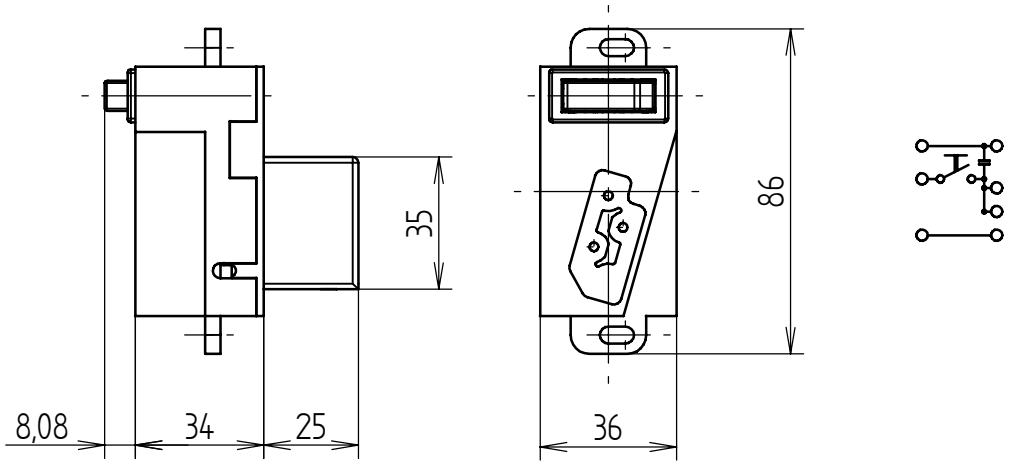
Microswitch Assembly

Code 8940730400





Tolerances unless otherwise stated: ± 0.2

Scale: 1:2

This product is an example of our design and production possibilities in the field of special developments.
Custom designed for a manufacturer of home sewing machines, the initial most important requeriments were:

1) Small size
2) Connections of switch, socket outlet, wiring and capacitor all in one unit

After to our different proposals, the client ordered us the present product, which meets all requeriments.

Before submit product to client, our laboratory tested all prescribed parameters.
